WSQ Supervise Security Officers Course

[WSQ SSO]

Providing Strategic Security Solutions

SDF & WTS-Funded
(eligibility criteria apply)

- Conducted by inhouse ACTA-certified trainers
- Fully equipped training and assessment room

Course Description

The skills of the Security Supervisor are increasingly important as every-day security duties become increasingly key to the safety and security of our citizens. Individual performance and handling of security incidents are insufficient—organized and coordinated activities are necessary to ensure an efficient security response team.

Course Outline

- Study Security Operations Procedure
- Supervise Direction of Security Officers
- Supervise Control of Security Officers
- Supervise Emergency Situations
- Supervise Health and Safety at Work
