

STET MARITIME BUREAU AWARDED CONSULTANCY CONTRACT WITH THE SINGAPORE LOGISTICS ASSOCIATION

STET Maritime Bureau Pte Ltd (STET MB) has been awarded the Consultancy contract for the development of Supply Chain Security Course, in joint collaboration with the **Singapore Logistics Association (SLA)**.

Under the contract, STET MB would provide advisory and consultancy assistance for the SLA members to develop their supply chain security process.

In addition, STET MB will also develop specific supply chain security guidelines for the logistics service providers to meet the standards required by the "Secure Trade Partnership" and ISO 28000 program.
