

## **STET HOMELAND SECURITY SERVICES ATTAINS ISO 9001:2008 CERTIFICATION**

STET Homeland Security Services Pte Ltd (STET HLS) is now ISO 9001:2008 certified. This important milestone is testament to STET HLS' commitment to quality excellence that is consistent in meeting and exceeding the clients' requirements.

During the rigorous certification audit, staff and management commitment to the performance and maintenance of the ISO Quality Management System was clearly evident. This commitment is emphasized by the Quality Policy of STET HLS which reinforces her business philosophy to provide high-quality, cost-effective and relevant services for the client by making clear that quality is everyone's responsibility.

**“We are deeply committed to quality which we know is the most important thing to our customers. It is common knowledge that in many industries, quality may sometimes be compromised with lower pricing. At STET HLS, we do not allow compromising on quality to be an option. We want our clients to know that they are assured of professional services and cost effective solutions with us - anytime they need us and anywhere in the world.”** said Mr. Tan Chong Kuan, Managing Director of STET HLS.

The ISO is an internationally accepted family of standards coordinated and maintained by the International Organization for Standardization. It is the hallmark of good management practice that has been adopted by approximately 100 countries as their Quality Standard. The ISO is also adopted as a European and a British Standard.
