

Singapore, August 2006 – Ministry of Health has awarded ST Education & Training Pte Ltd the contract for security consulting for the new Alexandra Hospital @ Yishun.

The new Alexandra Hospital @ Yishun is to be built at Yishun Central and targeted to complete by end 2009. The new hospital will comprise a 450-bed inpatient facility, a comprehensive ambulatory care facility with its core functions and the capability to expand to 550 beds. It will provide a complete range of services to serve most of the needs of the general population in the Northern Region.

The Security Consulting contract involves drawing up the security master plan and project management of the implementation of the security plans, undertaken by STET Homeland Security, a business unit of STET.

The total value of the security consulting contract is SGD 750,000.00.
